## 2024 Community Benefits

**Added 169 employed and independent providers**

Inviting the best possible providers into our community and supporting them is essential to ensuring access to high-quality care. This year, we added providers in behavioral health, cardiology, colon and rectal surgery, emergency and family medicine, oncology and hematology, orthopedics, structural heart disease and more.

**Invested more than \$3.3 million in capital improvements**

By continually investing in our facilities, we're helping to ensure that we continue to meet our community's healthcare needs. This year's investments included the installation of a 512-slice CT, a new manometry system and HVAC upgrades.

**Distributed a payroll of \$131,203,468 to approximately 1,470 employees**

We strive to create an environment where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high-quality care and services.

**Donated more than \$46.5 million in services to those in need**

Delivering care to all of our neighbors, regardless of their ability to pay, is foundational to our mission and our commitment to our community.

**Paid \$35,696,490 in taxes**

We are proud to be a leader in our region, and our dedication to ensuring fiscal responsibility extends both to our hospital and to our community.

Memorial Medical Center

MMC was a presenting sponsor of Cancer Warriors Week, which included the 1920s-themed “Bras for a Cause” art auction. This week of events raised more than \$235,000 for local cancer patients.

Nearly 200 people came together for our annual NICU reunion festivities, celebrating NICU graduates, their loved ones and our amazing caregivers.

At community events throughout the year, we showcased our neonatal and pediatric Transport Team ambulance – the only unit of its kind in Southern New Mexico.
