Memorial Medical Center is driven by our mission of *making communities healthier.*[®] We are dedicated to providing high-quality care close to home and investing in our region's overall well-being. Our teams are committed to embodying our core values and improving the health of all those we serve. We feel privileged to be part of this community, and we take seriously the role we play in providing compassionate, accessible care to patients and their families.

With the support of Lifepoint Health and community partners like you, we continue to advance our mission and create places where people choose to come for healthcare, physicians and providers want to practice and employees want to work. We look forward to further enhancing how we serve our neighbors today and for generations to come. Thank you.

John Harris, CEO

2023 Community Benefits

Added 167 employed and independent providers

Inviting the best possible providers into our community and supporting them is essential to ensuring access to high-quality care. This year, we added providers in behavioral health, cardiology, cardiovascular surgery, ENT, family medicine, gastroenterology, general surgery, interventional radiology, orthopedics, podiatry, OB/GYN and wound care.

Made nearly \$8 million in capital improvements

By continually investing in our facilities, we're helping to ensure that we continue to meet our community's healthcare needs. This year's investments included a VitalBEAM linear accelerator for radiation oncology, a new electrophysiology suite and equipment, and we broke ground on a new urgent care center in Anthony, New Mexico.

Distributed a payroll of \$132,663,077 to approximately 1,425 employees

We strive to create an environment where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high-quality care and services.

Donated nearly \$54 million in services to those in need

Delivering care to all of our neighbors, regardless of their ability to pay, is foundational to our mission and our commitment to our community.

Paid \$17,996,004 in taxes

We are proud to be a leader in our region, and our dedication to ensuring fiscal responsibility extends both to our hospital and to our community.

In October, MMC co-presented the first ever "Bras for a Cause" art auction event and raised \$20,000 for cancer patients in Las Cruces.

Our community Back to School Bash saw us safely fit and distribute more than 250 free bike helmets ahead of the new school year.

Sponsorships and Donations
